ACKNOWLEDGEMENT OF SUPPORT TO POWERFOODS

Dear Mr. Kanjana

The Directorate Sustainable Livelihood partnered with Power Foods since the launch of the first foodbank Ubuyisa Ubuntu Foodbank– Westrand on the 14th November 2009.

The organization provided nutritional food that enabled the Department to provide a balanced food parcels to recipients of food parcels. Power Foods also enabled the Department to established links with various NPO's and the Private Sector and shared networks in this regard.

The Directorate Sustainable Livelihood plans to expand the relationship with the organization during the financial year 2011/2012.

Please feel free to contact July Maphosa at 082 369 0845 for additional information.

Thanking you

.....Duly Signed.....

PARTNERSHIP BETWEEN THE DEPARTMENT OF HEALTH AND SOCIAL DEVELOPMENT AND POWERFOODS

The Department hereby confirms that it has a long standing relationship with the above-mentioned organization.

Powerfoods approached the Department of Health and Social Development in respect of a programme that will enable the partnership to achieve the following: -

- Nutritious food to vulnerable households as identified by the Department. The Department will purchase the food from Powerfoods via funded NPO's
- Nutritious food are provided to foodbanks in order to ensure that food provided will have adhere to all the nutritious standards of the households
- Re-packaging and affordable food to households and NPO's – This project will generate an income to individuals/agents who will repack food and sell the food at affordable prices. The agents will earn an income and ensure sustainability in this regard
- Training will be provided by Powerfoods in nutrition, hygiene and business skills.

The Department is impressed with the systems in place of the organization in respect of the implementation of their programme, their reporting systems and financial controls.

The Department did not hesitate to recommend funding in the above-mentioned and will monitor the programme to ensure that objectives as stated in the above will be achieved

It will be appreciated if you could call Fanie Appelcryn at 011 355 7744 or 082 469 3102 for any additional information.

Thanking you.

We have received your submission and samples of power foods, including your microbiological and nutritional reports.

It is evident that your products are of a high quality standard with excellent RDA nutritional value and will be most suitable for feeding and nutritional schemes. The health department acknowledges that these are appropriate, NGO's, FBO's, NPO's and support groups for people living with HIV/AIDS as part of wellness programme for clients whose CD4 count is high and not qualifying them for HAART's.

As a district we further recommend that you meet with Ms. Spies or Mr. Mpinga i.e. Provincial Directorate at Natalia Pietermaritzburg who is responsible for nutritional supplementation in the province of KZN.

Your commitment is endorsed.

Powerful foods

BHCC's Bread for Life programme was provided with some much needed financial impetus this year with a new partnership with Power Foods, a division of EDS Projects.

They supplied and delivered over R100 000 of dried foods, juice, soup, porridge and food parcels – fully supplying Muldersdrift Clinic with BFL foodstuffs, and supplementing our other six clinic

kitchens. This has freed up funds for us to increase amounts we could distribute to the neediest clinics.

Subject: Power Boost Porridge

Des

Good day to you.

I wanted to take this opportunity to firstly thank you for the Power Boost Porridge. Secondly, a brief update. You may remember that my gardener Francis Vuranda has three children, the youngest being 2 and the oldest 6 years. His middle child of 4 years was diagnosed with both malnutrition and TB four months ago and it was at this time that we brought the family to Chiredzi for medical treatment. It turned out that all three children were under nourished so all went on to the porridge.

I am happy to report that they have just been back to Chiredzi for the middle child's follow up on the TB. The TB is now clear and all three children are in very good health, they have all put on significant weight and look like well fed kids. I am sure that the continued supplementing of the porridge will see better physical and mental development in the kids going forward and Francis has committed to continue with the porridge which is a welcome development.

Many thanks

Phaphamang Day Care Centre

To: Power Foods

On behalf of Phaphamang Day Care Centre, as a student teacher who has visited the site. What I have observed is that not only does the Day Care aim to develop the children mentally, emotionally, socially and physically. Rather it helps them develop through providing them with nutritious foods that help them have a successful learning situation.

Considering where the Day Care Centre is situated, most children who attend at Phaphamang Day Care Centre are probably children who come from homes whereby their parents do not work; therefore the children here are helped to grow through the foods they eat. As I have witnessed, breakfast and lunch times are the moments of which the children love. Some are even quick to finish and ask for more. Moreover they get provided the same snack which is good as children do not have to bring their own snacks and thus there being differences between the children's social backgrounds.

The food which is provided to Phaphamang Day Care Centre help in promoting the chances of these children getting a good head start in their educational foundation leading to a successful future.

Yours Truly

On behalf of the St. Luke's Methodist Church, YMG, we would like to express our sincerest appreciation for proving support through material and non-material assistance thus ensuring the hosting of a successful IMBIZO YAMADODA (Men's dialogue).

We are certain that those who attended enjoyed the day. Most importantly, they learned a great deal from the speakers including the sharing experience from their interactions and networking as men.

Kind Regards,
Reverend Mselana

"There were nearly 500 swimmers participating and thanks to EDS Projects (Pty) Ltd sponsorship, I was one of them. I swam in five individual events and managed to attain two firsts (gold medals) and three thirds (bronze medals). My wins were in the 50m freestyle and the 50m backstroke."

- Mike Cameron

I would like to extend my personal thanks to you and the EDS Projects team for your help and support over the past 2 years. Not only have I improved as a player but also more importantly I've become a better person and Professional by representing your brand and having your support. With your brand on my clothes and hats during practice and tournament play, it has given me a sense of Professionalism that I have never had before. This has improved my attitude towards the game and life in general and is something that I value very highly and am grateful for.
